Dear John,

On behalf of the International Association of Business Communicators' Oklahoma City Chapter, I would like to thank you for your presentation on Nov. 3, 2005. The event was beneficial for everyone involved. Our participants learned valuable skills they were able to put to use in their workplace, while the chapter received some outstanding feedback that we are using in our own chapter development.

We would highly recommend your program to anyone looking for this type of development seminar. Our attendees really enjoyed it. Thank you for sharing your skills with us.

Sincerely,

Karen Paul
IABC Central Oklahoma President
