Dear John:

I am incredibly grateful to you for sharing your exceptional talents with Leadership Oklahoma and our state's community leaders. Your presentation on Thinking Outside the Leadership Box was excellent and challenged our participants to look at new ways to bring their ideas to life. The wonderful exercise you facilitated will generate very helpful information that will benefit all the community programs.

You are one of the most creative people I have ever met. I greatly respect your many abilities and very much appreciate your tremendous efforts on our behalf.

Sincerely,

A handwritten signature in black ink that reads "Nancy".
